AQUASUR 2028

XV INTERNATIONAL EXHIBITION AND CONGRESS OF THE
AQUICULTURE SECTOR OF THE SOUTHERN HEMISPHERE

MAIN SPONSOR

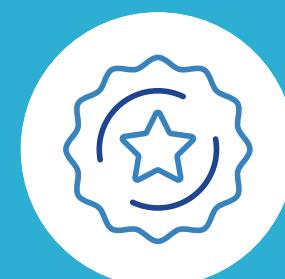

ORGANIZED BY

The most important aquaculture event in southern hemisphere.

For three days, a conference takes place focusing on the role of aquaculture in the future of food. With more than 60 speakers, including globally recognized experts, the event covers pressing topics and the latest updates, providing attendees with a current and global perspective on aquaculture and related industries.

AQUASUR 2028 will provide space for networking, both within the venue and through its Congress, as well as multiple specially designed areas to foster conversations that promote aquaculture development and knowledge.
